## About The FDP (Join Whatsapp Group After Submitting Google Form)

It is often said 'Literature is a reflection of society.' The 21<sup>st</sup> Century is a century of change, information and human resilience. 21<sup>st</sup> Century literature grapples with the events, movements and literature of the past in order to make sense of the present. This FDP intends to fathom thematic issues such as Pandemic, Digital, Eco consciousness, Feminism and many more. We hope this FDP will be helpful for the English faculties and Scholars.
